The students were facing transportation issues because the new college building was not easily accessible from Shimla/Banuti. There was only one local bus in the morning, which was not enough to bring all the students to college. They approached the college administration, and the principal took this matter to the Honourable Secretary of Education and the Honourable MLA. The issue was resolved by extending a bus route to the village of Loharab.

**HIMACHAL ROAD TRANSPORT CORPORATION HEAD OFFICE SHIMLA**
